## **European Commission's role in the field of drugs**

- *To ensure coherence of the EU drugs policy framework, and coordinate actions, on the basis of the EU strategies and action plans;*
- *To monitor the situation in the EU countries and actions taken to reduce drug use and prevent drugs-related crime and trafficking;*
- *To propose EU-wide control measures for new drugs (NPS) when necessary after carefully analysing risk assessments;*
- *To enforce the EU laws to control and prevent the diversion of chemical precursors;*
- *To foster cooperation with relevant third countries and regions, through policy dialogues and financial assistance.*

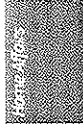

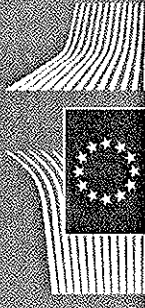

European  
Commission

## **Funding for proposals in the area of drugs 2007-2013**

- *Drug Prevention and Information Programme (DPIP)*
- *Programme on the Prevention of and Fight Against Crime (ISEC) – including a 'drugs chapter'*
- *Health Programme, 7th Framework Programme*
